

The outer circle represents the world we live in. Inside the circle proudly displays the name of the organization. Centered is the outline of our unique and beautiful State of Texas. In the center, an open book, denoting education. One cannot learn from a closed book. The house in the panhandle represents the home and family life. In the west, an open heart. We open our hearts to all. In the east, an oak leaf representing strength. We gain strength through our partnership with the Texas AgriLife Extension Service. In the lower portion, two reaching hands, reaching out to those who need us.

Building Better Tomorrows

CREED

We believe in the sanctity of the home.
We believe in the home as the place where love, faith, trust, and devotion must be lived each day, where obedience and reverence grow, and where God is known.

We believe those within its walls should be taught to work, to play, and to have compassion for those less fortunate.

We believe sharing responsibilities is necessary and that from the fireside will come the citizens who will uphold the best ways of life.

MOTTO

To make the best of what we have.

PRAYER

Grant to us, dear Lord, Thy divine guidance in our plans today, that our accomplishments of tomorrow may be pleasing to thee. AMEN
